1. The joint federal / Maine quota for the Maine Management Zone has been 100,000 Maine bushels since Amendment 10 was implemented on May 21, 1998. Maine fishermen have rented ocean quahog ITQ tags from the industrial ocean quahog fishery which has resulted in landings in excess of 100,000 bushels.

1. Tilefish fishing year is Nov 1 - Oct 31. For example, FY 2002 = Nov 1, 2001 - Oct 31, 2002.

2. FMP implemented November 1, 2001.

3. As a result of the Hadaja vs Evans lawsuit, the permitting and reporting requirements implemented in the FMP were postponed during the May 15, 2003 through May 31, 2004 period. During that time period, vessels that were not part of the tilefish limited entry program also landed tilefish.
