

## **Summer Flounder, Scup, and Black Sea Bass Advisory Panel Webinar**

**Friday, November 22, 2019  
9:00 AM-12:00 PM**

### **Connection Information**

Webinar: [http://mafmc.adobeconnect.com/fsb\\_ap\\_nov2019/](http://mafmc.adobeconnect.com/fsb_ap_nov2019/)

Audio only: 1-800-832-0736, room #5068871

### **Meeting Objective**

The purpose of this meeting is to review staff and Monitoring Committee recommendations for 2020 recreational management measures for summer flounder, scup and black sea bass, and to provide Advisory Panel input on the 2020 recreational management measures for all three species.
