Letter on BSB Amendment NOA and Proposed Rule

- Adding the state allocations to Council FMP will ensure a thorough, transparent review of future changes.
 - NEPA, MSA, etc. do not apply to ASMFC.
- Joint decision making is fair, equitable, and has worked well for close to 30 years.
- Administrative burden on GARFO mitigated by use of existing, well-functioning systems. Burden on ASMFC will be reduced.
- Most BSB commercial harvest comes from federal waters.
- Comments on NOA due July 3.
