### Bluefish Monitoring Committee Meeting - Webinar

Wednesday, July 26, 2023

9:00 a.m. – 12:30 p.m.

#### [Meeting Link](#)

Meeting Number: 2346 723 9999

Password (if prompted): jdYbRVnY336

#### Meeting Objective

The purpose of the meeting is for the Monitoring Committee (MC) to recommend bluefish catch and landings limits and commercial and recreational measures for 2024-2025. At the meeting, the MC will review the Scientific and Statistical Committee (SSC) recommendation, 2023 management track assessment results, staff memos, and recent fishery performance to assist the MC in their deliberations.

#### Agenda

##### 9:00 a.m. to 9:05 a.m.

- Convene and introductions

##### 9:05 a.m. to 9:45 a.m.

- Review management uncertainty tool developed by MC subgroup

##### 9:45 a.m. to 10:15 a.m.

- Review recent fishery performance
- Review management track assessment results
- Review SSC recommendations and staff memos

##### 10:15 a.m. to 12:30 p.m.

- Recommend catch and landings limits and management measures for 2024-2025
  - Commercial ACLs, ACTs, quotas, and management measures
  - Recreational ACLs, ACTs, RHLs, and management measures

##### 12:30 p.m.

- Adjourn
